The holiday season is the perfect time to show those around you how much you care by making a donation in honor of them or in memory of someone special. We want to continue to support scleroderma research but the state of our economy has affected all of us.

We ask that you help us make a difference by filling out the attached donation card and returning it in the self addressed envelope.

The **American Society for Scleroderma Research** is a non-profit 501c(3) foundation and **100%** of your donation will go directly to research and is **tax-deductible**.

*Thank you,*
